

# PFT ZP 3 XXL FC-400V

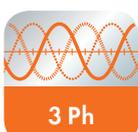

**The robust with unbeatable conveying capacity**

With a conveying capacity of 180 l/min the conveying pump can handle many applications. Whether high or far the ZP 3 XXL pumps the plaster, masonry mortar or screed directly to the construction site.

## TECHNICAL DATA

|                    |   |
|--------------------|---|
| Part no.           | 00151174                                |
| Conveying capacity | 15 - 180 l/min                          |
| Conveying distance | up to 150 m                             |
| Working pressure   | max. 20 bar                             |
| Rotor / Stator     | SOLVER 2 L 8                            |
| Grain size         | max. 14 mm                              |
| Motor              | 400 V, 3 Ph, 50 Hz, 13 kW, 14 - 162 rpm |
| Material outflow   | DN65 male part                          |
| Filling height     | 620 mm                                  |
| Hopper content     | 130 l                                   |
| Dimensions: L/W/H  | 3,075/725/745 mm                        |
| Weight             | ~390 kg                                 |

## ADVANTAGES AT A GLANCE

- Pump performance continuously adjustable via frequency converter
- Long pressure flange for grain size up to 16 mm
- High conveying capacity and distance
- Robust and compact
- Solid rubber wheels with steel rims
- Double gearbox seal with inspection opening
- Cleaning port in material hopper
- Control unit with vibrator control integrated

### FIELDS OF APPLICATION

- Masonry mortar
- Light masonry mortar
- Floor screed (from truck mixer)
- Levelling compound
- Spraying concrete

### ACCESSORIES

- |   |          |
|---|----------|
| ■ Extension cable 5 x 6 mm <sup>2</sup> , RED 5-32 A - 25 m | 00105633 |
| ■ Remote control cable with switch - 25 m                   | 20456929 |
| ■ Extension hopper 300 mm                                   | 00098004 |
| ■ Water hose/air hose DN12 Geka   Geka - 5 m                | 20211100 |
| ■ Spray nozzle DN19 (3/4") Geka                             | 20215700 |
| ■ Purgig hose DN10 Geka - 11 m                              | 00113856 |
